

**MAINTENANCE TECHNICIAN – ELECTRICAL & IT SUPPORT**  
**SALARY COMMENSURATE WITH EXPERIENCE**  
**FULL-TIME**  
**INCLUDES SOME EVENING AND WEEKEND WORKING**

We are excited to announce that we're looking to recruit a multi-skilled Maintenance Technician, with an electrical bias and a solid grounding in IT and AV support, to join our facilities and maintenance team.

This is a newly created role that offers the successful candidate the opportunity to utilise and develop their already extensive technical skills in a fast-paced, vibrant and extremely diverse stadium environment.

Your primary responsibility will be to complete all statutory and routine electrical testing and repairs for the entire venue and to be the first line of support for all in-house IT requests. You will work closely with an external IT company for more complex IT issues and large-scale projects and, over time, broaden your knowledge and experience to provide over-arching technical support in relation to the day running of the stadium and events (AV, EPOS systems etc.). Previous experience working on AV equipment and IT support/infrastructure in an events and venue environment would therefore be preferred.

You will be working at Emirates Old Trafford (the home of Lancashire Cricket) which has played host to some of cricket's most iconic moments since 1864 and is now an award-winning world-class venue that has undergone a transformational redevelopment over the last decade.

It is recognised as one of the UK's most prestigious venues for sport, business, leisure and entertainment with a capacity of up to 50,000 people for concerts; 26,000 for international cricket matches; meetings and events spaces for up to 2,000 delegates; a four-star hotel with 150 rooms; and an on-site Caffè Nero.

The venue has played host to some of the world's biggest sporting events, including six ICC Cricket World Cup fixtures in 2019, Ashes Test Matches and world class concerts including Ariana Grande's 'One Love Manchester' concert as well as others by Beyoncé, Rihanna, Foo Fighters and more.

It's a unique place to build a career where no two days are ever the same!

**The Role and Responsibilities**

As a Maintenance Technician you will have an exciting and challenging role which will include:

- Testing and inspection of electrical services over the entire venue
- Testing, repair & maintenance of emergency lighting systems
- Portable appliance testing
- Ensuring that any electrical defects are safely and professionally repaired
- Advising the Facilities management team of any existing, new or temporary electrical installations that are unsafe or that do not meet currently regulatory standards
- Fault finding and ensuring satisfactory fault rectification
- Providing electrical and technical expertise to assist with major event set up and delivery.
- Fault finding, service and maintenance of all in house technical IT systems
- Acting as the Clubs' first line of response for all basic I.T requests, installations or repairs
- Acting as the Clubs' in-house lead on all AV systems, working alongside external providers where necessary

## Requirements

It is essential you can demonstrate that you have:

- City & Guilds 2367 or 2357 (Electrical Installation) and NVQ level 3 in Electrical Installations or equivalent
- City & Guilds 2391 - Electrical Inspection and Testing
- BS7671 - The Requirements for Electrical Installations, 17th or 18th Edition
- Experience working in a role as a test and inspection electrician or equivalent
- Experience with the installation, service and maintenance of I.T and other technical systems
- A strong knowledge of AV systems and technology in general

It would be ideal, but is not essential, if you have:

- Experience and knowledge of maintenance requirements for a sport, leisure or entertainment venue

## What you can expect

- A competitive salary commensurate with experience
- Basic contributory pension scheme with option to join enhanced pension scheme, including life assurance, after 3 months service
- Optional health cash plan scheme
- 2 x standard Lancashire Cricket season memberships
- Discounts at the club store, indoor cricket centre, hotel, Caffè Nero and with the club's partners
- Holiday allowance increasing with service
- Fitness classes, table tennis club and yoga
- Social events throughout the year
- Free parking

## How to Apply

If you have the relevant skills and experience and wish to apply for this role please send your CV with current salary details to [careers@lancashirecricket.co.uk](mailto:careers@lancashirecricket.co.uk). Closing date for applications is **Thursday 17<sup>th</sup> February 2022**.

*We look forward to hearing from you if you have skills that support our future vision. Lancashire Cricket is an equal opportunities organisation and we are committed to providing new opportunities and striving for greater diversity.*

*It is a priority for Lancashire Cricket to ensure our Club appropriately reflects the wider communities across the North West and as we strive to meet Sport England Guidance in this regard, we would welcome applications from individuals with the appropriate skills and experience that can also enhance our current diversity mix at the Club.*
