

Cricket Development Manager
Lancashire Cricket Foundation
Full Time (40 Hours) – 5 in 7 days including evenings and weekends
Salary commensurate with experience

The Lancashire Cricket Foundation (LCF) are looking to appoint a Cricket Development Manager to manage the growth of the game of cricket within school and club settings across Lancashire.

This is an exciting and challenging role where you will look to create increased participation opportunities through the development of cricket facilities in club and community settings. In addition, you will also play a key role in ensuring more coaches and volunteers can become involved in the game.

LCF works across Lancashire to develop and deliver a range of projects, programmes and events designed to increase participation levels in the game. It is designated as the local governing body for all recreational cricket in the County by the national governing body, The England and Wales Cricket Board (ECB).

Established as the official charity of Lancashire Cricket, LCF provides high quality cricket experiences that make a positive difference to the lives of the individuals it engages with.

We want to hear from you if you think you can help us on our journey to engage, excite, inspire and improve individuals through cricket.

The Role

Employed by LCF as our Cricket Development Manager you will be the operational county lead on the LCF/ECB Facilities Strategy, as well as being accountable for the management of the Coach Development Programme. This will include:

- Line management of the Coach Education Officer and Cricket Development Officers
- League engagement via the LCF League Engagement Plan, Recreation and Sub-Committees
- Being the county lead on club competitions (including the Lancashire KO Cup & ECB National Comps), club affiliation, funding in relation to club development and National Programmes
- Coordinating the successful delivery of Local Authority Playing Pitch Strategies alongside the Head of Operations and Data
- Other recreational game development as it arises
- Ensuring activity is captured on ECB Play Cricket platform

Essential Requirements/Skills

In order to be considered for this position it is essential that you have experience / demonstrable knowledge of:

- Developing, managing and implementing cricket / sport programmes in school and club settings
- Developing and implementing strategies and plans at a local level
- Cricket / community facility development
- Club and league cricket and the key issues and challenges faced
- The player pathway
- Coach/volunteer development programmes
- ECB priorities and how they relate to cricket and community development
- Key priorities for cricket in Lancashire
- Managing staff / volunteers

In addition, you will need to have the ability and willingness to travel for work and access to your own vehicle or means of transport that will allow you to fulfil the mobility duties of the post

This is an ideal opportunity to get involved in the development of an ambitious, growing Foundation and to be an integral part of its future success in raising the profile of the game across Lancashire.

Please take time to look at the Job Description and only apply if you can demonstrate you have the relevant experience and can meet the requirements of this role.

Can you help make a difference? If so, please submit your CV with a covering letter to foundationcareers@lancashirecricket.co.uk.

Closing date for applications: Monday 22nd February 2022
